

Example: CD/DVD Labels. CD/DVDs must be submitted in plastic jewel cases. The disks must have computer-printed (not handwritten) labels that contain the thesis title, author's name, Colorado School of Mines, name of the operating system, and names of all software used to create the files and contents of the disk. Beginning Fall 2008, all CD/DVDs submitted with a thesis must first be certified as virus free by AC&N personnel before they will be accepted by Arthur Lakes Library.
